
LESSON 37 – Week of September 30, 2018

Christ in the Song of Solomon

*"**Many waters cannot quench love**, nor will rivers overflow it…" – Song of Solomon 8:7a*

The Text / Spend some time this week reading ***The Song of Solomon***.

Finding Jesus / Think about these questions as you read:

1. Is this book describing a real-life story, or is it more like a parable (an earthly story that is told primarily to teach a higher spiritual meaning)?
2. What lessons about do we learn from this book about the following?
    - Love
    - Faithfulness
    - Marriage
3. What do you think is the main message/theme of *The Song of Solomon*?
4. How does the book help turn our hearts toward Christ?

Living for Jesus

Jesus said, "Greater love has no one than this, that one lay down his life for his friends" (John 15:13). Regardless of how one interprets the song, there can be no doubt that it celebrates the beauty of true love. Christ is the epitome of true love. No one who has ever lived on earth has as strong and as abiding a love as the love our Lord Jesus has toward us. Let us give thanks this week for such amazing love, and may His love govern our hearts and our lives always.

Notes:
